CERTIFICATES

Google UX Design Certificate

Online ■ *January - May 2025*

Completed a rigorous training designed for entry-level job readiness. Across 7 chapters, topics focused on: UX research fundamentals, inclusive design, wireframes, low-fidelity and high-fidelity prototypes, mock ups, and tools like Figma. Completed hands-on projects and developed a portfolio including 2 projects to receive the certificate.

EXPERIENCE

Magnusson Architecture & Planning

Arch Staff IV ■ *NYC, New York* ■ *June 2022 - February 2025*

Collaboratively worked on projects from Pre-Design to Construction Administration. Produced architectural diagrams and graphics for client presentations and RFPs. Developed interior design material and fixture packages as well as construction documentation sets. Followed Non-for-Profits and city organization design guidelines, and code and zoning to design and develop various residential projects focusing on affordable and supportive housing.

GKV Architects

Intermediate Architect ■ *NYC, New York* ■ *February 2020 - June 2022*

Collaboratively worked on projects from Pre-Design to Construction Documentation. Built architectural 3D models and diagrams for a modular construction project in Providence, Rhode Island. Researched and applied design guidelines from the Providence Historic District Commission. Produced 3D interior and exterior renderings. Developed graphics, material specifications and construction documentation sets for submissions and presentations.

TPG Architecture

Summer Intern ■ *NYC, New York* ■ *Summer 2018*

With a focus in interior commercial design with large companies such as HSBC, collaboratively worked with all team members to work on a brand focus and user experience design prototype for one of their new branches. Helped build and coordinate the 3D model to match the design drawings and interior design specifications. Created both interior and exterior renders using Enscape for client presentations. Also worked closely with our team interior designer to create the brand design package to be submitted for client approval.

EDUCATION

School of Architecture & Planning

University at Buffalo ■ *Buffalo, New York*

Masters of Architecture ■ May 2019

Bachelors of Science in Architecture ■ May 2017

SKILLS

Technical

Figma ■ Adobe InDesign ■ Adobe Photoshop ■ Adobe Illustrator ■ Model Making
Rhinceros ■ Revit ■ AutoCAD ■ Sketchup ■ V-Ray ■ Enscape ■ ARC GIS Maps
Microsoft Office ■ Google Docs ■ Google Sheets ■ Google Slides

Design

User Research ■ User Flows ■ Wireframing ■ Prototyping ■ Mockups ■ Presentations
Layout ■ Typography ■ Iconography ■ Color ■ Detail-oriented ■ AI Prompting
Generative AI ■ Prompt Engineering ■ Content Creation

Collaboration

Team player ■ Gives design critique & feedback ■ In person & remote capability
